Dear Ms. Johnson:

I am in receipt of your March 24, 2004 letter regarding the **Telecommunications Policy and Advisory Committee (TelePAC)**, indicating one member of the Committee is to be appointed by the Atlanta Planning Advisory Board (APAB). You asked to be provided, in writing, with the appointee's name not than close of business, Wednesday, April 7, 2004.

When the enabling legislation indicates that the individual is "*appointed by the Atlanta Planning Advisory Board*", rather than "*the President of the Atlanta Planning Advisory Board or the President's designee*", it is customary to select the individual by a vote of the entire body. However, since the response deadline is before the April 17, 2004 General Meeting, this is not possible. Consequently, all APAB delegates were contacted by email on March 30, 2004, and asked to submit a recommendation by return email. As of Monday, April 5, 2004, only two (2) responses had been received by Monday, April 5 2004. Therefore, at the scheduled April 6, 2004 meeting of the APAB Executive Committee, those Committee members present made the selection.

I am pleased to inform you that the Executive Committee has chosen **Mr. Earl A. Daniels** to represent the Atlanta Planning Advisory Board on the Telecommunications Policy and Advisory Committee. His contact information is:

1424 Van Epps Avenue, S.E.

Atlanta, GA 30316

(404) 681-2131 – Home (404) 441-7626 – Cell

Mr. Daniels was nominated by the President of NPU K and resides in NPU-O. His resume is attached and his appointment will be announced at APAB's April 17, 2004 General Meeting.

Due to time constraints, this letter is being sent to you by email, with a hard copy to follow by regular mail. If I can be of further assistance or you need any additional information, please do not hesitate to contact me at (404) 522-3231.

Sincerely,

Peggy

M. M. (Peggy) Harper
